## SPLENDID PUBLIC TRIBUTE TO MEMORY OF REV. T. J. BELCHER Recently Drowned in Cumberland River

The funeral of the Rev. Thos. J. Belcher, Pastor of the Christian Church and Principal of Barbourville Schools, was held at the Christian Church on Sunday last, Rev. R. G. Shearer, of Corbin being in charge of the ceremonies.

After the choir had sung the beautiful hymn, "When I Survey the Wondrous Cross," prayer was offered by Rev. R. G. Shearer and Dr. R. L. Creal read as the Scripture lesson the story of Christ at the tomb of Lazarus. Messages of condolence were then read.

Dr. Minton, of the Presbyterian Church spoke for the Ministerial Association of the city. He touched on the mystery of the Providence of God in calling away one like the departed brother, whose life was in its vigor and full of usefulness to the community, while he himself, with fifty years of the ministry behind him was left. He characterized Rev. Belcher as a faithful, christian gentleman.

The other ministers were then asked to give expression to any outstanding feature in the character of their late confrere which might be helpful to those present.

Dr. R. L. Creal mentioned his natural gifts and cultivated intellect, his strong belief and faith in God's Word, his characteristic charity and pleasant disposition.

Dr. E. T. Franklin said his character was one of true christianity, gentleness and sincerity. He was 100 per cent sincere.

Dr. A. H. Davis spoke of the shepherd heart of Brother Belcher and stated that for many years his life, voice and spirit will be manifested abroad. He leaves no richer heritage to his wife and family than that he lived and died in Jesus Christ.

Hon. Charles Finley, of Williamsburg said we are given to decorating heroes of war and paying to them our glowing tributes of speech. "I sometimes hope the time will come when we shall throw flowers to the heroes of peace; heroes of every day life. Some day, some man gifted with the expression of Lincoln will write of these. Of such was Thomas Jefferson Belcher."

The speaker said there was no better American citizen or one who loved the flag or his land more than did the deceased, nor who better exemplified his faith in his every day life. He believed that "righteousness exeth a people," and he lived it. He loved him for it he lived among us at Williamsburg for six years and when he left, he did not have an enemy.

He was as gentle and kindly as a woman yet firm as a rock where principle was concerned. He was honest with himself and made his life square with his conscience. The

grace of his pleasant countenance always brought sunshine and cheer. His love and service of God helped him to wipe worry off the map.

His loyal, crystal like nature was reflected in the beauty of his sanctified domestic life. He leaves a beloved wife and three beautiful children. Not only physically has he left his mark on the world, but many other children will create his image anew and thru his influence will be born their moral and spiritual offspring. He has gone down with the battle cry in his throat and his sword in his hand and his life so full no man can say just what he has done.

Rev. R. G. Shearer then read the last thing Mr. Belcher wrote on the morning of his death which was his Sunday announcements, handed in to the Advocate office and of these the speaker made texts for several lessons.

On behalf of Mrs. Belcher the speaker expressed gratitude for the love and care which had left nothing undone for her comfort and consolation.

The Masonic Lodge, of which Mr. Belcher was a member, then took charge of the interment which was in the beautiful City Cemetery. Owing to the heavy rainfall, few citizens were able to attend these last rites.

A message from Rev. J. J. Clifton, secretary to Rt. Rev. Lewis W. Burton, Bishop of the Episcopal Diocese of Lexington, was received by Fred Burman, expressing the deep sympathy of Bishop Burton and himself for the family and the Christian Church.

The staff of the Advocate wishes to add its affectionate tribute to the memory of a friend. Rev. Mr. Belcher, when he had a little spare time on his hands, liked, as he expressed it, "to loaf in a printing office." We shall greatly miss the charm of his personality and friendship. He was a man of broad views, his religion was deeply rooted but without cant and his judgment on men and things was characterized by a kindly charity. He had a fine sense of humor which is one of life's greatest gifts, enabling one as it does, to laugh away seeming troubles. Life brings us into contact with all sorts of men, men big in spirit and men small in spirit, men poor while rich, and rich while poor and in this category our friend may be classed among the first and the last.

May the Everlasting Arms receive him and may he find some there he loved while here.

The appreciation of our citizens is extended to Superintendent Smith of the L. & N. R. R. for holding the track clear while T. H. Haden, Jr. rushed over the pulmotor on a railroad motor cycle in twenty-three minutes. There was not a thing left

## Hipple Concert Company a Chautauqua Feature

Earl H. Hipple, "Wizard of the Xylophone," is manager of the Hipple Concert company, which will be heard here at the Redpath Chautauqua. Each of the other members of the company is thoroughly experienced in concert work.

The company's program is both classical and popular in character and is so universal in scope that it pleases the entire audience.

The Hipple company has earned a splendid reputation in the entertainment field, and enthusiastic words of commendation have been written concerning this organization by people in all parts of the United States.

**MOUNTAIN LODGE**  
No. 187, F. & A. M.  
Called Communication, Sunday  
June 20th 1920

THOMAS J. BELCHER, a member of Williamsburg Lodge No. 490 but a resident of Barbourville, Kentucky, for the past year, was called from labor to refreshment on Thursday, June 17th, 1920.

A minister of the Gospel of Christ; a preceptor of the youth of this community; a leader and a friend of men, Brother Belcher had, in the short space of twelve long months, by his christian character, his stand for civic righteousness, his devotion to his duty, and his high ideals of right thinking and right living so impressed himself upon the life and in the hearts of this community, that he has left with us a memorial that age cannot wither nor time destroy.

RESOLVED, that a copy of this testimonial and expression of our feeling be spread at large upon the records of this Lodge; that a copy be furnished the Mountain Advocate and Masonic Home Journal, Williamsburg Lodge No. 490 and a copy delivered to Mrs. Belcher.

C. P. Kennedy, A. C. Vaughn, J. E. Faulkner, T. J. Moore, Committee

undone which might help to save Mr. Belcher's life.  
Rev. Thomas Jefferson Belcher was born August 9, 1878, near McMinnville, Tenn. He was educated in Milligan College and the University of Tennessee. He filled pastorates at Ashville, N. C., Knoxville, Tenn., and was six years at Williamsburg prior to coming to Barbourville about a year ago. He met death by drowning in the Cumberland River June 17th, 1920. He is survived by a wife, three sons, an aged mother, a sister and a brother to mourn his departure.

### KAUFMAN-ROADES

A simple, impressive home wedding was solemnized at the home of Col. and Mrs. W. R. Hughes Thursday morning, at 10 o'clock, between Mr. T. B. Kaufman and Miss Marion Roades, of Tampa, Florida, by Rev. A. H. Davis, of the Methodist Church. The bride looked lovely in an afternoon dress of brown, complete even to the slippers of the same color. The cosy rooms with plants and June flowers, made a charming setting.

The groom came to Barbourville about two months ago and has a responsible position with the C. & M. R. R. He has made many warm friends who will wish him and his bride much happiness.

There were a number of guests including Mr. and Mrs. J. A. Kaufman and two daughters, Marjorie and Allene, of Tampa, Florida; Col.

### CIVIC LEAGUE

The Civic League met Thursday afternoon, June 17th, at the home of Mrs. J. D. Black. Only a short business session was held at which Mrs. R. W. Cole, as chairman of the committee to call on the City Council, made a very favorable report stating that this committee had been courteously received and given an attentive hearing after which each member of the Council expressed himself as heartily in favor of prohibiting side tent shows and gambling devices from carnivals and the Mayor asked that the City Attorney draw such an ordinance.

Mrs. R. W. Cole has accepted the chairmanship of the County Committee for the campaign against the high cost of living and pledge cards asking that each woman buy only necessities and report any case of profiteering that might come under her notice, were circulated and signed. Attention was called to the fact that the National Federation of Club Women was then in session and as a member of a federated club, each lady was asked to keep up with the proceedings of that convention.

A committee on resolutions was appointed with Mrs. R. L. Creal as chairman Mrs. J. D. Black and Mrs. Ballard, to draw up an expression of sympathy in the bereavement of one of our members, Mrs. T. J. Belcher.

Miss Gertrude Black has been appointed chairman for the Eleventh District of the Historical Committee and had made this a special history day in that she had requested all who had relics and things of interest more than fifty years old to put them on exhibition. There were thirty-five contributors and one hundred and twenty-five articles representing Norway, France, Switzerland, Mexico, Canada, but especially our own county, there being many articles of special local interest on account of the personal touch. These articles were on display in the spacious upper hall and music was furnished by a music box that has been in the family of Mrs. Ballard for over one hundred years.

All the decorations were "old timey" consisting of bouquets of red white and blue flowers arranged in old vases of quaint design and elaborately cut paper doilies.

Ice cream and cake were served in the dining room by Mrs. Black, Miss Gertrude and Mrs. H. H. Owens

and Mrs. W. R. Hughes; Mr. and Mrs. C. F. Heidrick; Mr. and Mrs. Ben Herndon; Mr. and Mrs. M. L. Snavely; Mr. and Mrs. R. P. Black; Mr. and Mrs. Dan Herndon; Misses Druella Tye; Roberta Cole; Ria Ross and Messrs. A. M. Blue and T. J. O'Hara.

Mr. and Mrs. Kaufman will be at home for the present with Hughes.

### PULMOTOR ORDERED FOR BARBOURVILLE

**Life Guard To Watch Swimmers**  
After the deplorable accident to Brother Belcher, a public fund was started to purchase a pulmotor or lungmotor for Barbourville, so in a case of such need in the future, the instrument will be here ready for use in emergency. Appended is a list of the citizens who have subscribed for the purchase of this instrument which has been ordered and should be received this week. It will be installed in some place accessible to the public at any and all times. Drs. Logan and Tye have offered to give free instruction on the use of the pulmotor so a number of people will understand its operation and know how to use it in case a doctor cannot be located quickly. This instrument will be subject to call in all cases of emergency, such as drowning, electric shock or suffocation of any kind where respiration must be started.

Besides having the lungmotor at hand and ready for use, arrangements are being made to place a life guard on the river from 9 a. m. until 7:30 p. m. during the rest of the swimming season which is about three months. The City Council will be asked to give this guard police powers to control the swimmers and assist to prevent accidents.

Swimming is good exercise and it should be made safe instead of stopped entirely.

Those who have subscribed and not paid will please send check to Dr. Tye, Dr. Logan or Miss Nola E. Minton, or they can deposit same in the First National Bank to the "Lungmotor Fund."

Many good citizens who would like to donate to this fund have not yet been solicited, and they can save time by sending in their checks with out waiting for the solicitors to see them personally. The lungmotor will cost about \$250 F. O. B. Barbourville, complete with six oxygen tanks and the Life Guard will cost \$60.00 per month.

List of subscriptions to purchase a Lungmotor for Barbourville, and to provide a Life Guard for three months on the River:

### ANNOUNCEMENT OF THE FACULTY OF B. B. I.

It gives us pleasure to announce that a number of excellent teachers for Barbourville Baptist Institute have been secured for the coming year. Rev. L. E. Curry, of Pineville, Ky., comes as president, and his wife as Matron of Brow Hall. Mr. C. E. Bunnell, of Corbin, will have charge of the Business Department. He is also a Band Master and will organize and lead the B. B. I. Band. His wife will have part of the grade work. Mrs. Myrtle Rambo, of Winchester, will be one of the teachers. Mrs. Rambo was formerly Miss Myrtle Waters, and taught at B. B. I. when the school was quite young, during the lifetime of Dr. G. W. Perryman, who was such a great friend to the school. Mrs. Rambo is a sister to Mrs. Perryman, and will be welcomed back to the school and the church so gladly by her many friends.

There are other vacancies to be filled and new teachers to be secured. These will all be announced from time to time.

The Home Mission Board has increased its gifts to Barbourville greatly for the coming year.

Some plans have been drawn for enlarging the Administration Building and greatly improving the entire plant. The plans are in the hands of Rev. R. L. Creal who is attending the Conference of Mountain School Teachers at Ridgecrest, N. C. this week. They will be gone over by Dr. A. E. Brown, Superintendent of Mountain Schools, and work started as soon as possible.

Mr. and Mrs. Bunnell will soon move on the field; Rev. and Mrs. Curry will arrive the last week in July.

Mrs. Robert W. Cole has accepted the chairmanship of the County for the Department of Justice for the High Cost of Living Campaign. Any wishing to sign the pledge card can find them at Mrs. Cole's who will be glad to give any further information.

If anyone chances to know the whereabouts of the sheet spread as a signal at the landing place of the aeroplane will please inform the Advocate?

## FREE ATTRACTION WITH BIG HUM BUG CIRCUS

As a special free attraction  
(weather permitting) the Great dare  
Devil Doherty has been engaged to  
make his famous ride for life just  
before the doors open at each per-  
formance in front of the Big Tents.  
Dare Devil Doherty is known the  
world over as the only man who  
rides down a steep incline and leaps  
a fifty foot gap lighting on a plat-  
form and riding to safety. This  
young fellow startled Broadway in  
New York last year by making his  
famous ride down a 200 foot incline  
track and leaping in midair across  
Broadway and lighting on a platform  
on a roof on the opposite side of the  
street, over the heads of countless  
thousands who, far below in the  
street, stood with anxiety and breath-  
less for fear he would fall to the  
ground below, but Doherty made it  
with a smile. This act is considered  
the greatest of all thrillers, and the  
Hum Bug Circus Company have se-  
cured insurance policy on the life of  
Dare Devil Doherty for \$100,000.  
Doherty will make his famous ride  
at night just before the performance  
weather permitting.

Don't forget—July 2nd, Barbour-  
ville, Ky. This act will appear at  
the joint picnic at the Fair Grounds  
Saturday afternoon, July 3rd.

### This Case Has a Hint For Many Barbourville Readers

A Barbourville woman has used  
Doan's Kidney Pills.

She has found them as represent-  
ed.

She wishes her neighbors to know.  
She publicly recommends them.

No need to look further for a test-  
ed kidney remedy.

The proof of merit is here and  
can be investigated.

Profit by the statement of Mrs.  
Bertha Steele, Pitzer Street.

She says: "My back was so weak  
I could hardly do anything. My an-  
kles and limbs became swollen and  
the action of my kidneys was irregu-  
lar. I used Doan's Kidney Pills,  
procured from the Costellow Drug  
Co. and they helped me relieving  
the backaches and other symptoms  
of kidney trouble."

Price 60c at all dealers. Don't  
simply ask for a kidney remedy—  
get Doan's Kidney Pills—the same  
that Mrs. Steele had. Foster-Mil-

### TAKE CARE OF THE SHEEP

The Veterinary Department of the  
College of Agriculture, estimates the  
annual loss of sheep caused by grub  
in the head, at \$250,000. This is  
approximately 2 per cent of the  
sheep in the state killed annually by  
an insect. This loss can very large-  
ly be eliminated by simply dipping  
the sheep's nose in tar. This opera-  
tion should be performed from the  
middle to the last of June as that is  
the time when the gad-fly make their  
appearance and do much damage.  
Since there is so much need for  
wool and since Kentucky is encour-  
aging the keeping and raising of  
sheep, the farmers should give this  
matter immediate attention and  
make plans to treat each individual  
of their flock.

Rev. J. F. and Miss Anna Ruggles  
are making out the tax lists which  
is some big job.

## THOUSANDS PROCLAIM THE MERITS OF PE-RU-NA

Read Their Letters

Mrs. Martha C. Dale, R. F. D. 1,

the stomach and bowels by PE-  
RU-NA."

Mr. J. Bayer, Glendale, Oregon:  
"There is no medicine like PE-RU-  
NA for catarrhal deafness."

Mrs. Kate Marguis, Middleburg,  
Ohio: "PE-RU-NA cured me of  
catarrh of the head and throat."

Mr. J. H. Collins, Wesson, Mis-  
sissippi: "PE-RU-NA makes me  
feel vigorous and able to work  
without that tired, weak feeling I  
usually have otherwise."

Mrs. P. Ludvigsen, Austin, Min-  
nesota: "I got rid of my liver  
trouble and can eat anything since  
taking PE-RU-NA."

Mrs. L. Hearing, 283 East 169th  
St., New York City: "For catarrh  
of the head and stomach, I have  
found PE-RU-NA better than any  
other medicine."

Mr. W. H. Edgar, 49 Cooper St.,  
Atlanta, Georgia: "PE-RU-NA  
cured me after I had suffered  
fifteen years with rheumatism."

Mrs. Leona Dodd, R. No. 3,  
Medon, Tennessee: "PE-RU-NA  
is a grand medicine for coughs and  
colds."

So many diseases are due to cat-  
arrh and catarrhal conditions,  
makes PE-RU-NA the best medi-  
cine in the world to have on hand  
for emergencies and general health  
protection. Thousands of families  
are never without a bottle of PE-  
RU-NA or a box of PE-RU-NA  
Tablets in the medicine cabinet.  
That is the safe way.

You can buy PE-RU-NA any-  
where in tablet or liquid form.

## HOW TO BECOME A NURSE

Any woman with intelligence and "motherly" instinct can learn to be a practical nurse and earn from fifteen to twenty-five dollars a week. If you cannot spend three years in a hospital or are past the hospital age, study a common-sense book, called "Nursing in the Home," by Lee H. Smith, M. D. This book is written in a way that is easy to comprehend. It will teach you how to recognize different diseases; how to take temperature; how to take care of fever patients; how to give baths; all about the sick room. It treats of burns and scalds, broken limbs, bleeding from wounds (bandaging), drowning, fainting—almost every contingency is covered.

Many pages are devoted to Hygiene, Anatomy, Physiology and Medicine. It contains advice for mothers and tells how to care for infants.

This 500-page book, bound in handsome red cloth, is worth \$2.00 but for a limited time can be secured by sending fifty cents to the publishers, World's Medical Press, 652 Washington Street, Buffalo, N. Y. —Adv.

In our store, you can hear the phonograph that substituted for Anna Case—

and astonished all New York in the audacious "Dark-Scene" Test.

and then the LIGHTS went OUT

Read below what the New York newspapers said of the test. Remember—the marvelous instrument used in New York City was an exact duplicate of the original Official Laboratory Model, which cost Mr. Edison three million dollars in research work. We, too, have an exact duplicate of the famous three million dollar original. We guarantee that it is capable of sustaining all the astonishing tests made on March 10th, at Carnegie Hall, New York City.

Come in and hear this guaranteed Official Laboratory Model. Experience its marvelous realism for yourself. We give Mr. Edison's unique Realism Test.

# The NEW EDISON

"A portion of the demonstration was even carried on without the lights, so that no one could see whether Miss Case's lips moved or not. It was all genuinely instructive, and the twinship between Miss Case's singing, and the reproduction thereof, proved so close as to be often indistinguishable."—New York Globe.

"When you see and hear Miss Case sing, you can scarcely believe that an art so essentially individual and personal as hers could ever be reproduced mechanically, yet the New Edison has succeeded to the point where the voice in the fluffy pink draperies and the voice in the mahogany box seemed one and the same."—New York Evening Mail.

"When the lights were lowered, it was impossible to tell when it was Anna Case, and when it was only her voice that was singing."—New York Evening Sun.

The "dark scene" test was positively sensational in its proof of the realism of the New Edison

Anna Case, the world-famed soprano, stood beside a dignified Chippendale cabinet. She started to sing. Her voice enthralled the audience with its colorful brilliance.

Suddenly the lights went out. Densest black swallowed stage, phonograph and singer.

When you come in, ask about our Budget Plan. It makes the dollar go farther—the New Edison come easier.

"The Phonograph with a Soul"

But Miss Case's voice went smoothly on. It rose to the very heights of its superb artistry.

Then, the lights flashed on!

The audience gasped with astonishment. Case was gone! Her voice had been coming from the New Edison.

Under cover of the darkness, Miss Case had stolen from the platform, leaving the New Edison to continue her song alone. The audience never knew she had gone, till the lights went up.

The exact duplicate of this instrument is here in our store,—waiting to prove its perfect realism to you.

## DARE DEVIL DOHERTY With Hum Bug Circus

The highest salary ever paid a free attraction is paid to DARE DEVIL DOHERTY with the HUM BUG CIRCUS COMPANY. This young man who defies death twice daily in front of the Big Tents on the Show Grounds just before each performance of the Circus, well deserves the large salary paid him for every time he climbs the long trail of death may be his last. On top of an elevated incline of several hundred feet stands Dare Devil Doherty, pausing for a second by his bicycle, he then mounts his machine, turns loose and at a terrific speed rides down the long incline of slat steps, then with eyes closed, he makes the leap of fifty feet thru space landing on another platform below, having completed the ride in a few seconds. You can see rider and machine floating thru space and you hold your breath in awe expecting every second to see rider and machine crash to earth. The Circus Management advise that Doherty will only make his rides when weather permits; it cannot be done on rainy or very windy days, for to attempt it under good circumstances is dangerous enough, but Doherty's contract calls for two rides daily weather permitting and unless the weather conditions are extremely bad, Doherty will make his ride as scheduled with the Hum Bug Circus on July 2 at the show grounds at 7 P. M.

## HORSE BADLY CUT BY FALL

Specialist's Prescription Prevents Complication

In telling of the accident to his horse, Mr. Luther Carmen, of Valley Park, Mo., stated: "My horse fell down and cut his knees all up. I dressed them with Dr. LeGear's Antiseptic Healing Powder and they are healing fine. It is a wonderful remedy for healing sores on horses."

Mr. Carmen is simply voicing the sentiments of hundreds of others who feel that having Dr. LeGear's personal prescriptions on hand at all times is nearly as good as having Dr. LeGear where they could reach him in a very few minutes.

Wounds and sores must be taken care of immediately. Get a can of Dr. LeGear's Antiseptic Healing Powder from your dealer. Dust on enough of it to cover the wound or sore. It forms a protection against insects and infection and promotes healthy healing. —Dr. L. D. LeGear Med. Co., St. Louis, Mo. Advertisement.

## CANNON NEWS

A delegation of citizens of this community, including Ed Miracle, Andy Gibson, Will Fisher, W. D. Martin and others from Little Richmond, were before the Fiscal Court last session to urge the building of a road up our creek to Manchester. and it looks as if we will get a part of it at least. All the land holders along the proposed route have signified their willingness to donate a right of way except possibly two or three. It is hard indeed for the writer to understand how anyone can be damaged by a good road running thru his place even if it goes thru his yard or garden. It is a well known fact that the roads are impassable over this territory in the winter time and after rains at all times. We need more men in our county who are looking beyond the immediate dollar. It is an unfortunate fact however, that there are still a few who can't see beyond the dollar. Let's all boost, none knock and try to get this road. We need it. The oil business is quiet right at this time except that one well on the Messamore, one on the Miracle, one or two on the Morris, one on the Jackson and three on the Jones farms are being pumped and some of them at least are producing \$300 to \$500 worth of oil per month. A well being drilled on the Hig-nite and Patterson lease will possibly be finished this week.

Farm crops are looking fine and fruit favorable.

Our five coal operations are running steadily with prices high for their output but more coal could be produced except for shortage of cars.

Mrs. Ed Miracle returned recently from a visit to relatives in Ousley County.

Tip, son of Rv. Bingham has just completed a nice 7 or 8 room farm house for himself.

## "IT'S GRANDEST THING IN WORLD"

Gained Ten Pounds And Is Full Of Life And Energy Since Taking Tanlac

"It was only three weeks ago that I began taking Tanlac and already I have gained ten pounds and am now doing my housework for the first time in over a year," said Mrs. Florence Krause, 419 South Shelby St., Louisville, Ky.

"I had been a sufferer from stomach trouble for several years and last year I got so bad off I had to have an operation and it left me in a worse condition than ever. My nerves were so badly unstrung that any sudden noise would make me scream out and become almost hysterical. My stomach was upset, my appetite was the poorest it had ever been and I could not retain the little I did eat. I suffered terribly from nausea and had smothering spells so bad they would have to loosen my clothes and I would just have to gasp to keep breathing. My sleep was always restless and I had awful spells of neuralgia in my head I was too weak to do any of my house work, felt tired and fagged out all the time and lost nearly all interest in life.

"One of my neighbors told me of Tanlac and I always will be thankful I took her advice and started taking it. Tanlac is the greatest medicine on earth for I have taken only three bottles and already I am feeling better and stronger than I have in many years. I can hardly eat enough to satisfy my appetite, nothing ever hurts me and I am no longer bothered with those smothering spells. I have not had a sign of neuralgia since I began taking Tanlac and my nerves are just as steady and strong as ever in my life. My sleep is sound and refreshing and life is now worth living. Tanlac has given me health, happiness and strength, and I am glad to tell others in the hopes that they too, may be benefited by this wonderful medicine."

Tanlac is sold in Barbourville by the Cut Rate Drug Co.; in Artemus by J. G. Haskin; and in Perman by N. J. Faulkner & Co.

### HUM BUG CIRCUS Coming to Barbourville

The Hum Bug Circus is coming to Barbourville for two performances rain or shine, July 2nd and 3rd, under the auspices of the American Legion who will have entire charge of the affair. By attending these performances you will see the biggest circus of its kind in the world and also help swell the funds of this worthy organization. The Hum Bug Circus while still a circus, is unlike any other circus in the world, for in addition to the regular circus acts a great many local celebrities will also take part in the parade and performance. There will be lots of fun for old and young. Big preparations are being made for circus day and it is estimated that the largest crowd of people ever in Barbourville will be here July 2nd and 3rd. The show is being advertised widely in

popular circus fashion, with big days in the posters which are being put up on barns and fences covering a distance of over thirty miles in every direction from Barbourville. The prices of admission are small as compared with the average circus, fifty cents for adults and half price for children. The big tents are all water proofed and rain will not affect the attendance on this account. The advance brigade is at work now posting and advertising in every conceivable way. Tickets are placed on sale with all merchants, who are anxious to help swell the crowd for this worthy cause, and they are moving fast. There is no doubt that the big tents will be packed and jammed for this occasion. The main tent is supposed to have a seating capacity of about ten thousand. Reports are coming in from other places where the Hum Bug Circus has been playing and they not only pronounce it a great show, but state that they are playing to record breaking audiences everywhere, turning away thousands that can't get room. If you have not already purchased tickets better get them in advance from any of the merchants in Barbourville. Avoid the big rush on Circus Day. Don't forget the dates, July 2 & 3.

### RESOLUTIONS ON THE DEATH OF REV. T. J. BELCHER

Whereas our friend and co-worker, the Rev. T. J. Belcher, was called from this earthly life June 17th, 1920,

Be it resolved, —That the town has lost one of its best citizens, the schools one of their staunchest supporters, the young people one of their most interested friends, the churches one of their earnest leaders, every organization for the public uplift one of their most sympathetic co-workers.

Be it further resolved, —That the Civic League of Barbourville extend to the bereaved family our heartfelt sympathy in the loss of one in whose life we had the utmost confidence, and point them to Jesus Christ, the One who can comfort the stricken;

That a copy of these resolutions be sent to Mrs. Belcher, a copy placed on the minutes of the Civic League and a copy sent for publication to the Mountain Advocate. Committee—Mrs. R. L. Creal, Mrs. J. D. Black and Mrs. Kate Ballard.

ALTON PARK, TENN.—"Dr. Pierce's medicines have been used a great deal in my family with the very best of results. I had a girl that had chronic bronchitis and I never found anything that would give her relief until I began giving her Doctor Pierce's Golden Medical Discovery and it gave her more real help than all other medicines put together. I have taken 'Golden Medical Discovery' for stomach trouble and it was excellent for this ailment; it purifies one's blood and seems to act upon, and build up one's whole system in a good, healthy state. 'Golden Medical Discovery' is a splendid family medicine and I take pleasure in recommending it."—Mrs. J. A. BEAN, 1560 Highland Avenue.

Few folks or families now living have not at some time or other used Dr. Pierce's Golden Medical Discovery for the stomach, liver or blood. Over twenty-four million bottles of this tonic and blood remedy have been sold by druggists in this country.

WEST FRANKFORT, KY.—"I can recommend Dr. Pierce's Pleasant Pellets most highly for they have been used for many years past by my own people and by my husband's and later on by myself. I have never known such a mild and effective remedy for sluggish liver and constipation as Dr. Pierce's Pleasant Pellets."—MRS. A. D. HARRON, No. 696 Polgrove Street.

These little, sugar-coated pills are composed of Mayapple, leaves of aloe, root of jalap—things that Nature grows in the ground, and are sold by druggists everywhere.

### TWO FIREMEN NEEDED IN OLYMPIC CRUISE

Two firemen, members of the Enlisted Navy Reserve from Kentucky, are wanted for the Navy's cruise to the Olympic Games in Brussels, Belgium, according to a letter received recently from the department by Lieut. Com. Lynn B. Bernheim, U. S. N. R., senior naval reserve officer of the State.

The U. S. cruiser Frederick will sail from Philadelphia July 23, dock ing at Antwerp during the games.

Lieut. Com. Bernheim said applications must be received in his office Lincoln Building, before July 1st, in order to be considered. Selection of two men to go will be made shortly thereafter. They will receive transportation to and from Philadelphia with allowances, and full pay during the cruise, being discharged immediately on return of the cruiser to the United States. Louisville Exchange could any of our boys want to they should write the Lieut.

Commander at the above address or  
the Jones Hotel, Barbourville.

#### METHODIST LADIES AID

The Ladies Aid Society of the Methodist Episcopal Church met on June 18th with Mrs. A. M. Decker. The president, Mrs. A. W. Hopper, was in the chair. The meeting was opened by reading of the First Psalm by Mrs. A. M. Decker followed by repeating the Lord's Prayer.

Roll call showed sixteen members answering to their names. Business was taken up in its regular form. The Centenary Pledge of \$70.00 was allowed. The treasurer was ordered to purchase Chautauqua tickets for the pastor and his wife.

After the appointing of committees, the meeting adjourned to meet July 2nd with Mrs. Tom. Faulkner. A very pleasant social hour was enjoyed with the hostess who served delicious ice cream and cake.

Who said workers are spending their last cent each week on \$20.00 silk shirts, high-power "Stupid-Six" autos, diamond studs and hundred dollar clothes?

Maybe it's true—but not everywhere.

By a systematic thrift plan at the Goodyear Tire & Rubber Company, by which employees permit the company to deposit weekly a certain percentage of their wages—nearly \$100,000 will be saved annually for workers who like the plan.

## Merit That Makes Mileage —In Tires for the Smaller Cars

Such extraordinary competence and carefulness as are characteristic of all Goodyear manufacture likewise characterize Goodyear's building of tires for the smaller cars.

Only very unusual experience and endeavor make possible the high relative value built into the 30x3, 30x3½, and 31x4-inch Goodyear Tires in our Plant No. 2, the world's largest factory devoted to these sizes.

In addition to the larger sizes Goodyear builds, a daily production averaging 20,000 tires of these smaller sizes alone makes them easily available, regardless of the big demand, to owners of Ford, Chevrolet, Dort, Maxwell, and other cars taking these sizes.

If you are one of these owners, go to the nearest Goodyear Service Station Dealer for these tires, and for Goodyear Heavy Tourist Tubes. He carries a stock.

30x3½ Goodyear Double-Cure Fabric, All-Weather Tread..... \$2350  
30x3½ Goodyear Single-Cure Fabric, Anti-Skid Tread..... \$2150

Goodyear Heavy Tourist Tubes are thick, strong tubes that reinforce casings properly. Why risk a good casing with a cheap tube? Goodyear Heavy Tourist Tubes cost little more than tubes of less merit. 30x3½ size in water—\$450 proof bag
